Dear parents/guardians,

We are happy to announce the return of our fabulous TCBY fundraiser. In previous years, thanks to this fundraiser, the grade 6 students have had the opportunity to enjoy a memorable year-end overnight field trip as well as a spectacular graduation, and we are hoping to offer the same for this year's 2023-24 graduating class.

We had to make a few changes this year. Firstly, our supplier has been increasing the cost of the cups over the past few years, however we have not increased our selling price to the students, therefore our profit has decreased significantly. We have asked several other schools who sell TCBY as a fundraiser and they have told us that they are all selling it at a much higher price than us. In order for this fundraiser to be profitable, we have decided to sell the cups for \$4.00 each. We understand that this is a considerable increase, however we hope that you will continue to encourage us as the Grade 6 students truly benefit from this fundraiser.

Secondly, this year, we will be selling the TCBY every Thursday during afternoon recess. An order form will be sent home at the beginning of each month, and we encourage you to place your order at the beginning of the month to ensure your child will receive their delicious treat on time. All orders are to be handed in no later than the Friday of the previous week to give us time to complete all the paperwork.

Below you will find our first order form for the last week of October and the month of November. Please complete this order form and send it with your payment in cash by Friday each week, so we can prepare the orders which will be delivered to the classrooms on the following Thursday afternoon at recess. You may place your order weekly or once a month. Make sure to indicate your child's name, class, teacher and the amount included in a Ziploc or clearly identified reusable container. The cost of each cup is \$4.00 and we accept cash only. As well, we encourage you to think of our environment and give your child a reusable spoon to eat his/her treat.

Thanks for encouraging us

The grade 6 team
